Support for Myanmar Earthquake

We would like to express our deepest sympathies to victims affected by the recent earthquake in Myanmar.

Ajinomoto Co., Inc. decided to donate 10 million yen through the World Food Programme (WFP), a food aid agency of the United Nations, in support of emergency operation to provide food assistance.

We have been running our business in Myanmar for many years and have close ties with the local people.

We pray that peace of mind and tranquility will return to everyone in the affected areas as soon as possible.
